Loose Leaf Tea Offering

Traditional English Breakfast

A golden, well-rounded cup of tea created to ease you gently into the day. Perfect with milk (and a touch of sugar can enhance the flavours) for a thoroughly British afternoon tea!

Double Mint Infusion

Full of minty fresh flavour, this infusion delivers a cooling caffeine-free brew. Reputed to aid digestion, it is ideal as an after dinner infusion.

Earl Grey

Light, aromatic and floral in character, blended with the oil of the citrus fruit bergamot, produces an aromatic floral blend.

Assam

Assam Tea is a black tea named after the region where it is produced, an area south of the eastern Himalayas, roughly the size of Ireland. This is a rich and robust tea with a delicious malty flavour.

Sencha Green Tea

Sweet, smooth and grassy. A beautiful refreshing green tea from Japan.

Elderflower Blossom & Darjeeling

Elderflower flavour black tea with marigold flowers and pink cornflowers. Light, sweet, with peachy notes and a fragrant burst of elderflower.

Super fruity

A deliciously juicy and fruity blend, packed with wonderful countryside flavours. It's ideal any time of day as it's naturally caffeine free.
